- Bootstrap
- MochaChai
- AngularJS

## INTERESTS

- Sport
- Music
- Guitar
- Gym
- Art
- Computers

## PROFILE

I am a self-motivated achiever and enjoy learning new things. My main interest in the IT field is web development as I enjoy the creative side to designing webpages and graphics but also find that I enjoy coding because of the problem solving that is involved. I'm currently in my third year at Ara in my Bachelor of IT and wish to gain further experience in my field.

## EDUCATION
